PAYCHECK DEDUCTIONS & RETIREMENT CONTRIBUTIONS

HOW TO COMPLETE THIS PAGE

Complete a column for each spouse. Enter MONTHLY amounts. These items are reported separately from the household expenses on page 1 because they come out of your paycheck or are saved directly — they are not part of your take-home spending.
Pre-tax deductions include anything withheld from gross pay before taxes: 401(k)/403(b)/457/TSP contributions, your share of the employee health insurance premium, dental and vision, HSA or FSA contributions, disability insurance, and life insurance premiums.
